47 The proposals entail a recurring additional expenditure of Rs 4,354/- per annum, which it is not possible to provide, in the present state of the finances.

48 The following alternative scheme may be considered.

A. Gazetted Staff.

PRESENT.		PROPOSED BY DEPARTMENT.		PROPOSED BY ME.
1 Assistant Registrar (Civil Service Officer.)	250-25-450	250-25-450	)	Three on 250-25-450.
3 Assistant Registrars.	200-25-450	200-25-450	)	
2 Sub Assistant Registrars.	150-10-200	2 Assistant Registrars 150-20-250	)	Three Assistant Registrars 150-25/2-250

49 There may be 3 Assistant Registrars on Rs 250-25-450 and 3 Assistant Registrars on Rs 150-25/2-250; the former, corresponding to Assistant Commissioners and the latter, to Amildars. As there is now a Deputy Registrar borne on the Civil Service cadre, the Civil Service Assistant Commissioner now doing duty as Assistant Registrar may be withdrawn. The rest of the officers in that grade may be put in the new scale of pay without any extra cost to Government.

50 The clerical and menial staff is capable of reduction. Of the four additional hands proposed for the 2 new Assistant Registrars only two may be

allowed for the present, besides the clerical staff now working under the Sub Assistant Registrars. Suitable readjustment of the clerical staff may be made to avoid extra cost.

51 In the menial staff four new men should suffice. The net increase, with the reductions above proposed will be less than Rs 2,000 per annum.

52 If this is acceptable, the question of providing the funds required for this re-organisation in the next year's budget may be considered.

Memo 3489/15/30.

No 4699 ed 24/2/1930

56 In my letter no 6576 C.S. dated 11-5-29 to Government, I have already stated

Note—Contn. Sheet

as follows:- "In course of time there should be one Asst Registrar for each of the eight Districts and a Personal Assistant of the same status attached to the Registrar's Office." This is, in fact, my ideal, so that, the development of the Movement in all the Districts might receive adequate attention. It was from a financial point of view I incposed the increase of only two Asst Registrars of the 2nd grade for the present.

57 In the Civil Service Re-Organisation Order, one of the posts of Asst Registrars of Divisions was reserved for the Civil Service. I believe it was done with a specific object. The idea of Government evidently was that the Civil Service men should be trained in all such departments, so that, they may fit themselves for holding important appointments in the administrative machinery of Government when the necessity arises therefor in the exigencies of service. The Deputy Registrar's appointment has been made as a purely temporary measure. The appointment has been sanctioned for a period of two years only, of which already 10 months have elapsed, and for a specific purpose, viz, Land Mortgage work. The Civil Service Asst Registrar is a permanent fixture not a temporary one. I am, therefore, not in favour of the withdrawal

NOTE—Contn. sheet.

WD 066—GPB—30,000—26-7-29

of the Civil Service Asst Registrar as proposed by the Financial Secretary. The one Civil Service Asst. Registrar on Rs 250-25-450 and three non-civil service Asst Registrars should remain untouched. The proposal to fix the pay of the non-civil service Asst Registrars also at Rs 250-25-450 is good and may be accepted.

58 With regard to the appointment of the two additional Asst Registrars on Rs 150-20-250 proposed by the Member of Council, all that I beg to say is that, if the maximum of the grade cannot be raised to Rs 300/- as originally proposed by me, the suggestion may be accepted. The proposal to reduce the grade further to Rs 150-$\frac{25}{2}$-250 made by the Financial Secretary is hardly adequate & will not meet the situation.

59 With regard to the clerical staff, no readjustment is possible. The Financial Secretary is under a misapprehension that there are clerks working under the Sub-Asst Registrars, but there are none. My proposals in this respect represent the bare minimum consistent with efficiency and the number of seats in each Division. According to my proposals, the scale of the clerical establishment of the six Divisions will be as follows:—

1 Bangalore Dn.	Bangalore Dt only contains the largest number of Seats	1 Hd clerk on Rs 40-5-75	& 3 clerks on Rs 25-2½-50
2 Kolar "	Kolar Dt.	- do -	& 2 clerks
3. Tumkur "	Tumkur Dt	"	& "
4 Chitaldroog "	Chitaldroog Dt	"	& "
5. Mysore "	Mysore & Hassan Dts.	"	& 4 clerks.
6. Shimoga "	Shimoga & Kadur Dts	"	& 3 clerks a

15

No extra hands required for this readjustment - are only two Head Clerks & two junior clerks.

(c) In the case of the menial staff, however, reduction of two hands may be effected, each of these two extra Divisions being given only 4 peons instead of five originally proposed by me.

83 The information required for the purpose of this file seems to be the savings that can be effected by appointing a Dy. Registrar on a smaller pay. The ~~post~~ post of Dy. Registrar has been sanctioned for two years, of which 13 months have already elapsed. ~~The post~~ no definite scale of pay has been fixed for the post, but Mr M.S. Ramachandra Rao has been given a personal pay of Rs 700 (he was getting Rs 600 + 100 D.A. ~~as~~ P.S.))

84 The present proposal of the Registrar is to post another Assistant Commr on his grade pay + 50 D.A. in place of Mr M.S. R. Rao. The two officers whose names have been suggested (Messrs M. Chennaraj Urs and J. Final Note by the Third Member of Council

Subject: Appointment of Mr. E.V. Ganapati Iyer, Secretary, Stores Purchase Committee, as Deputy Registrar of Co-operative Societies.

The Registrar of Co-operative Societies has proposed that two posts of Sub Assistant Registrars may be converted to Assistant Registrars' posts with a view to give special attention to the co-operative work in the Kolar and Chitaldrug Districts which are backward in this respect. With a view to find the extra cost involved in this recommendation it has been proposed that some saving might be effected by appointing an officer on a lower salary to the post of Deputy Registrar appointed in connection with Land Mortgage Bank work. Mr.M.S.Ramachandra Rao, the present Deputy Registrar, has been drawing a salary of Rs.700. He has himself expressed a desire to be transferred to another post. Now that the Land Mortgage Bank has started work there is not much need of an officer on high pay for this work, but it is necessary to have an officer at Headquarters to assist the Registrar in the headquarter work and to share with him the inspection work in the Districts.

The question was considered in Council on the 21st instant when it was resolved that Mr. Ramachandra Rao may be transferred back to his former appointment as Secretary, Stores Purchase Committee, and that he may be permitted to draw a salary of Rs.600 as long as he may be employed in that capacity. (His pay as Assistant Commissioner is Rs.450 but before his appointment as Private Secretary to the Dewan he had as Secretary, Stores Purchase Committee, been given a grade going up to Rs.600). It was further resolved that Mr. E.V. Ganapati Iyer, the present Secretary of the Stores Purchase Committee may be transferred to the Co-operative Department as Deputy Registrar with a duty allowance of Rs.50 per mensem.

The question of converting the posts of Sub Assistant Registrars to Assistant Registrars' posts will be further considered after orders are passed on these proposals.

Final Note by the Third Member of Council.

Subject:— Grant of increased duty allowance to Mr. E.V. Ganapati Iyer proposed to be appointed Deputy Registrar of Co-operative Societies.

His Highness has been graciously pleased to sanction the resolution of the Council that Mr. E.V. Ganapati Iyer may be transferred to the Co-operative Department as Deputy Registrar with a duty allowance of Rs.50 per mensem. Mr. Ganapati Iyer has since made a representation to the Dewan that as he has been drawing Rs.100 per mensem as Secretary to the Stores Purchase Committee it would be a great hardship to have his duty allowance reduced. Mr. Ganapati Iyer has been doing very good work as Secretary to the Stores Purchase Committee and his transfer to the Co-operative Department is not due to any fault on his part.

The question was considered in Council on the 2nd instant when it was resolved that the allowance given to Mr. Ganapati Iyer may be raised to Rs.100 and that the allowance of future incumbents may be fixed at Rs.50. The resolution of the Council may be graciously sanctioned.

There seems to be no necessity to start the two new Asst. Regrs on Rs 230 p.m. They are at present drawing Rs 210 from July 1925 as Asst. Regrs. They may, perhaps, be started on Rs 210 in the new grade of Rs 150-10-250. This will save a sum of Rs 360. The balance of extra expendr to be provided for will then be only Rs 584. Even this may be curtailed from the amount asked for for furniture, contingencies etc.

With these modifications the proposals may be sanctd. with effect from 1.9.30.

Final Note by the Second Member of Council.

Subject:—

168 Conversion of two posts of Sub Assistant Registrars to Assistant Registrars' posts.

169 In my Final Note dated 25th June 1930, I had stated that the Registrar of Co-operative Societies had proposed that two posts of Sub Assistant Registrars might be converted to Assistant Registrars' posts with a view to give special attention to co-operative work in the Kolar and Chitaldrug Districts which are backward in this respect. As this recommendation involved extra cost, some saving was proposed to be effected by appointing an officer on a lower salary as Deputy Registrar in place of Mr. M.S. Ramachandra Rao. Orders have accordingly been passed appointing Mr. E.V. Ganapati Iyer as Deputy Registrar thereby effecting a saving of Rs. 150 per mensem.

170 It is now proposed (1) to convert the two posts of Sub Assistant Registrars on Rs.150-10-200 to Assistant Registrars' posts on Rs.150-20-250, (2) to appoint Mr.T.Venkataramanaiya and Mr. D.Krishna Rao, who have been drawing Rs.200 for the last five years as Sub Assistant Registrars, as Assistant Registrars on a starting pay of Rs.210 and (3) to give these officers the necessary clerical and menial staff. The total extra average cost of the proposals is Rs.3,554 per annum, but the extra cost for the current year will be only Rs.1,694-8-0, which can be met by reappropriation of the sanctioned budget grants of the Department.

171 The Financial Secretary suggested that in view of the additional cost involved the proposals may be deferred till next year. I am however of opinion that this reform which may be the means of improving co-operative work in the Kolar and Chitaldrug Districts has been long overdue and may be sanctioned now.

172 The Dewan and the other Members of Council have agreed to the proposals and I solicit His Highness' gracious sanction thereto.

To

N. Rama Rao, Esq., B.A. B.L.,
Secretary to Government, Development Departments,
Bangalore.

Sir,

Adverting to para 4 of Government Order No.D.2119-20/C.S. 2-26-10 dated 17th August 1928, reserving for future consideration the question of increasing the number of Assistant Registrars of Co-operative Societies, I have the honour to state as follows:-

2. The number of Co-operative Societies in the State on 31st March 1929 was 1,960 distributed among the several districts as noted below. Information regarding the administrative Divisions is also furnished.

Bangalore City	66	66	under the direct control of the Registrar.
Bangalore Dt.	336		
Kolar Dt.	186	522	Bangalore Division.
Mysore Dt.	314		
Hassan Dt.	210	524	Mysore Division
Tumkur Dt.	291		
Chitaldrug Dt.	181	472	Tumkur Division.
Shimoga Dt.	244		
Kadur Dt.	132	376	Shimoga Division
Total	1,960		

3. That these charges are unwieldy and that the Assistant Registrars cannot exercise proper control for the efficient working of the societies is apparent. The Mysore Co-operative Committee have in their report recommended that there should be one

Assistant

Assistant Registrar on Rs. 150-15-300 for every 250 societies. Government have also directed in their order No.6652-700/A.& I. 67-15-20 dated 15th May 1920 that the officers should inspect every society situated in their respective charges at least once in two years. The present subordinate Gazetted Staff of the Department, apart from the Deputy Registrar for Land Mortgage Bank work recently sanctioned, consists of 4 Assistant Registrars of whom one belongs to the Civil Service cadre on a salary of Rs. 250-25-450 and the remaining three belong to the non-Civil Service cadre on a salary of Rs. 200-25-450. As could be seen from the Districtwar statement of societies given above, the charges of these officers are so heavy that all the societies in their respective charges cannot possibly have the benefit of their personal inspection and guidance at least once in two years as directed by Government in the order referred to above. The necessity for the creation of more Assistant Registrars is, therefore, apparent. In course of time, there should be one Assistant Registrar for each of the eight Districts and a Personal Assistant of the same status attached to the Registrar's office. But in view of the financial stringency, I request that Government may be pleased to sanction the appointment of at least two second-grade Assistant Registrars immediately, the question of increasing the number being reserved for future consideration. In view of the fact that the maximum pay of the first-grade Inspectors is fixed at Rs. 125/- per mensem, it is very necessary to fix the starting pay of these Assistant Registrars at Rs. 150 so that the Inspectors who are, by their training and capacity, fit to hold higher and more responsible posts may have a fair chance of becoming Assistant Registrars. It is hardly necessary to add that the appointments of Assistant Registrars made during recent years have all been filled up by importing officers from outside the Department and that this has created some reasonable dis-satisfaction among the Inspectors.

Pages 49&51 of the Co-operative Manual.

4. Though as above stated the status of the Personal Assistant

Assistant to the Registrar should be the same as that of the Assistant Registrars, I shall however be content to have a Personal Assistant on 150-10-200 only as at present for some time in view of cost. The Assistant Registrars of Divisions themselves will be responsible for the development work in their respective Divisions. I therefore propose that the post of the Sub-Assistant Registrar of Co-operative Societies (Development Work) on 150-10-200 may be abolished and two posts of second-grade Assistant Registrars on 150-15-300 created. As Kolar and Chitaldrug Districts are more backward in the matter of the progress of the Movement than the other Districts, I recommend that the two Assistant Registrars proposed now may be put in independent charge of those Districts. This arrangement will not only give immediate relief to the Divisional offices of Bangalore and Tumkur, but will enable the Department to bestow greater attention to the progress of the Movement in the backward Districts. The charge of the Mysore and Shimoga Divisions will continue to remain heavy, but this cannot be helped, till Government are pleased to sanction one Assistant Registrar to each District. The financial effect to this proposal of the creation of the posts of two seond-grade Assistant Registrars and the abolition of the post of one Sub-Assistant Registrar is an increase in cost of Rs. 3,500/- per annum.

5. With regard to the clerical and menial establishment required for these two new offices, I recommend that each of these offices be given the following scale of establishment.-

Ministerial Establishment.

one Head Clerk	on Rs. 40-5-75
two clerks	25-2½-50

Menial Establishment.

two peons	on Rs. 12 each
three peons	on Rs. 11 each.

6. Government have in their order No.D.10688-9/C.S.37-28-10 dated 17th April 1929 sanctioned an additional establishment of one clerk on Rs. 25-2½-50 to each of the offices of the Assistant

Registrars

Registrars of Bangalore and Mysore Divisions. If Kolar District is made a separate charge, the additional hand now sanctioned to the Bangalore Divisional office can be made available to the new offices and similarly as the Tumkur District contains only 291 societies one clerk on 25-2½-50 may be withdrawn from that office and made available to the new offices. The post of one peon on Rs 13/- working at present under the Sub-Assistant Registrar (Development Work) may be abolished and instead ten peons appointed as noted above for the two new offices. The creation of the posts of two Head Clerks on Rs 40-5-75 and of two clerks on Rs 25-2½-50 is therefore sufficient for the ministerial grade involving an extra cost of Rs 2,562/- per annum. The menial establishment proposed above will result in a cost of Rs 1,368 per annum against which there is a savings of Rs 156 caused by the abolition of the post of one peon on Rs 13/- the resultant net extra cost on this account being Rs 1,212 per annum.

7. The total extra cost to Government on account of the creation of the two additional Divisions towards salaries and establishment will thus amount to Rs 7,274/- as per statement enclosed hereto. Provision will also have to be made for office rent and contingencies in addition to a lumpsum grant of about Rs 1,000/- for furniture and equipment.

8. In view of the necessity for the creation of these two additional offices in the interests of work and the further progress of the Movement, I request that Government may kindly be pleased to sanction the above proposals at an early date.

Sir,

As desired in your letter No.D.424/C.S.163-28-2 dated 13th July 1929, I have the honour to forward, herewitn, the Proposition Statement in duplicate for increasing the number of Assistant Registrars. A copy of my letter No.6576/C.S. dated 11-5-29 to Government and a copy of Government letter above referred to, are sent, herewith, for ready reference. Though in my original letter to Government, I had requested that Government may be pleased to retain the services of the Personal Assistant to the Registrar on Rs.150-10-200, I now propose that, in view of cost, the post of the Personal Assistant also may be abolished for the present and two posts of Second Grade Assistant Registrars -- sanctioned. The abolition of the Personal Assistant will no doubt cause great strain on me and the office, but it cannot be helped till Government should be pleased to provide more funds to cope with the growing demands of the Department. The extra cost on account of the creation of 2 more Divisions retaining the Personal Assistant will be Rs.7,274 per annum, while with the abolition of the post of the Personal Assistant, the cost reduces itself to Rs. 4,918.

INSTRUCTIONS.

(1) If on account of exceptional reasons, expenditure which is either not provided for in the budget estimates of the current year or is in excess of the budget provision, has to be incurred, application should be made for the provision of additional funds, accompained by a statement in this form showing how the expenditure is proposed to be met. When such an application is sent, the reason for considering it indispensably necessary that the outlay should be immediately incurred and not postponed to the next financial year should be stated. It should also be explained why the need for expenditure was not foreseen in time for its inclusion in the budget estimates.

(2) The reappropriation statement should be submitted to Government in duplicate through the Comptroller. Care should be taken to see that all the particulars therein required are invariably filled in and that, when necessary, the district details required for audit purposes are given.

(3) In these statements, the figures of the budget estimates must be given and not those of the Revised estimates. Columns 2 and 6must show the amounts sanctioned by Government in the Bud get estimates; if reappropriations have been made subsequently the alterations sanctioned up-to-date must be shown by plus and minus figures supported by explanatory memos quoting the number and date of sanction.

(4) The Revised estimates should not in any way be connected with such applications, as they cannot be used for purposes either of budget control or of audit.

(5) If any additional funds are required after the 1st May, application therefor may be made direct to Government.

(6) In Columns 3 and 7, (actual expenditure up-to-date) the period should be specified.

(7) The Heads of Departments referred to in Appendix XXII B., M.C. A.C., Vol. I are empowered to sanction reappropriation.

The Registrar brought to the notice of govt. in his letter No 6576/5 G.H.S. 29 that owing to the increase in the number of Co-operative Societies, the charges have become unwieldy & that the number of Asst Regrs have to be increased to secure adequate inspection of the Co-operative Societies in the State.

Kolar & Chitaldrug Distts are reported to be backward in taking up to Co-operative movement and the Registrar proposes that each of these Distts be constituted into a Co-operative Dn & placed under an Asst Regr.

Govt while agreeing with these views enquired of the Regr whether he can dispense with the Sub Asst Regrs so that savings thus effected may be

In the first of the G.O's read above, Govt while sanctg the re-organn of the Co-op dept, reserved for future consideration the question of the creation of two more posts of Asst Regrs. The Regr of C.S. has now urged the necessity for these appointments.

There are at present four Asst Regrs, one of whom belongs to the Civil Service cadre & is in the grade of Rs 250-25-450 & the three others are departmental men in the grade of Rs 200-25-450. The following four divisions are distributed among them:-

(1) Bangalore Dn; B'lore rural Dts - 522 sq miles
(2) Mysore " Mysore rural " - 524 "
(3) Tumkur " Tumkur + Chitaldrug - 472 "
(4) Shimoga " Shimoga + Kolar - 376 "

The Regr states that these charges are unwieldy & that the officers cannot exercise proper control over the societies in their charge. He considers that there should be one Asst Regr for each district, but that for the present it would be sufficient if two more Asst Regrs were appointed in the grade of Rs 150-20-250, to be in charge respectively of the Kolar + Chitaldrug Dts. which has a total area of 8,898 sq miles as per List of enclosure. He states that the co-operative movement has not made much progress in them. He further argues that the two posts of Sub-Asst Regrs on Rs 150-10-200 existing at present may be abolished.

Govt agree with the Regr that it is necessary to constitute two more divisions & they are, therefore, pleased to sanction the following proposals with effect from 1.10.1929:-
